

PRECISION 2.0Li™

Clean More Pools! Time is Money.

Having the right tools to do the job will save you time, money and unnecessary headaches. The Precision 2.0Li works on any surface: concrete, tile, vinyl, or fiberglass and its no fuss design is free from hoses, external pumps or electrical cords. Simply attach to any standard telescopic pool pole, turn the unit on, and you are ready to vacuum.

Perfect for:

Overall Pool Cleaning

Steps

Swimouts

Benches

Spillover Spas

Negative Edge Troughs

Tanning Ledges

Fountains

Limited 1 Year Warranty

* Minimum Operating Depth - 12"
